

## LUCIEN APPLEBY CRACK COLT OF WESTERN TRACKS

Has Won Fifteen Races and Is Indifferent to  
Track or Weight.

LUCIEN APPLEBY.

Western horsemen believe that in Lucien Appleby, the three-year-old St. George-Levee colt, Sam Hildreth has the best horse in training to-day, and he may be shipped East in a day or two to try conclusions with the top-notchers here.

### RACING NOTES.

The books for the autumn meeting of the Westchester Racing Association, which begins Oct. 7 at the Morris Park course, are out, and are full of interest to turfmen and racegoers in general. The star features of this always brilliant meeting are the Matron Stakes, for two-year-olds; the Jerome Handicap, at a mile and a quarter, over the hill; the Autumn Highweight Serial Handicap, which includes the Bronx, the Westchester and the Fort Ham; the Champion Steeplechase, at three miles and a half; the Nursery, over the Eclipse course; the Hunter Handicap, the Champion Stakes, the Municipal Handicap and the Morris Park Weight for Age race.

Horsemen look forward to the Morris Park meeting as the final representation of the sport in its best form on the local tracks before the final fitting to the coast and New Orleans.

Green B. Morris will take his horses West next week. The Missouri turfman said early yesterday afternoon that he would not wait for the Morris Park autumn meeting.

John A. Drake was forced to pay \$1,400 to keep Trinity Bell after the fall had won the fifth race at Gravesend yesterday in his colors. Trinity Bell was entered to be sold for \$200.

Jockey Landry will not be seen in the saddle for the remainder of the week. Landry had the

The conditions of the track makes absolutely no difference to him. He runs in front or comes from behind and apparently runs as well with 130 pounds on his back as he does with 100.

He is without doubt the most useful colt in the country to-day, if not, as his owner claims, the best.

Lucien Appleby seems to hold both McChesney and Belle Commoner safe and fit, either should give Hermis a beating, according to well posted West-erners.

Belle Commoner, by the way, is rapidly rounding into shape and has entirely recovered from the accident in the American Derby.

## KING WAS BADLY BEATEN BY LEWIS.

Tuthill's Light-Weight Won  
in Decisive Fashion from  
Connecticut Champion Last  
Night.

Willie Lewis, the crack little fighter of this city, proved last night that he is as good as his trainer and manager, Harry Tuthill, said he was. He met Mosley King, the best light-weight in all Connecticut, at New Britain, and before the twentieth round was finished King was in such bad shape from the beating he received that Referee Dick Howell stopped the bout and gave the decision to Lewis.

King was the champion light-weight of Connecticut, but now Lewis takes that title. Harry Tuthill declared after the fight that he was ready to match Lewis against George McFadden or any light-weight in the world for a side bet, if such is desired.

### "Corbett's" Proposition.

There is not a chance in the world of "Young Corbett" and Terry McGovern fighting for the feather-weight championship of the world in private, as has been suggested by Col. Thompson, former manager of Charlie Mitchell. Thompson had agreed to give the boys a \$10,000 purse, to be subscribed by sporting men, and a large share of the receipts that might be gained from the taking of pictures.

"Corbett" says he would not consider such an offer, because he would only get into a lot of trouble and would as soon fight with bare fists in the woods. Regarding Jimmy Britt's proposition to knock "Corbett" or McGovern out in ten rounds for \$5,000, the champion says that was out of the question. He stated that if Britt would make 128 pounds he would agree to put the Californian out in ten rounds or lose a side bet of \$10,000.

### PRIZE LIST FOR POLO PLAYERS IS ANNOUNCED.

Ladies' Cup the Chief Trophy and  
Will Be Played for on Georgian  
Court Next Month.

The prize list for the Lakewood Polo Club's annual fall tournament, from Oct. 13 to 25, to be played on George J. Gould's Georgian Court grounds, has been announced by Chairman H. L. Herbert, of the Polo Association.

The chief trophy will be the Ladies' Cup, a new prize which must be won four times by the same club before becoming its permanent property. The donors of the cup are Mrs. George J. Gould, Mrs. Mary Kingdon, Mrs. W. A. Hamilton and Mrs. H. L. Herbert.

The second event will be for the Carasillo Cups, given by Kingdon and Jay Gould. These latter trophies are open to teams not exceeding an aggregate handicap of 16 goals.

Athletic Champions  
Will Meet Next Month.

Big Carnival of Sports Arranged  
Promises to Be Banner Event  
of the Season.

President P. J. Conway, of the Greater New York Irish A. A., expects that the carnival of sports of the club, which will wind up the athletic season on Oct. 19, will be the best set of games held this year. It is expected that Desmarreau, the champion of America and Canada, will meet John Flanagan. In the special five-mile race A. G. Bowen, who is a member of the Greater New York Irish A. A., expects to meet Alex Grant, Jerry Pierce and all the other distance cracker. Entry blanks can be had from L. J. Conway, No. 207 East Fifty-eighth street, city.

James H. McCormick, trainer for L. V. Bell, is a part owner of the horse Col. Bill and Francisco, recently purchased by Mr. Bell.

Jockey Spencer has left for Toronto to ride the Seagram horses. He will be in the saddle there tomorrow.

Trinity Bell was the subject for a \$20,000 commission by the Drake party. The mare never gave her backers much uneasiness.

Jockey Landry will not be seen in the saddle for the remainder of the week. Landry had the

## Of "Vital" Importance.

There is no part of a garment more easily cheapened or deteriorated than the "vitals," the insides, the hidden part of a garment. That inside construction is as essential to clothing as the iron skeleton to the modern skyscraper, and there's where the skill of our manufacturer, the experience of our buyer, come in. That's why Bernheim clothing not only looks well but wears well. That's why the following are
